**How does your body sound like when you're afraid?**

From the producers of the award-winning NETFLIX Originals *Les Affamés* (Ravenous) comes a **new experiment in adaptive horror** - as sound and music are generated in real-time for each viewer based on their biometrics.

Starring acclaimed Indigenous singer ELISAPIE ISAAC and rising star ETIENNE LOU.  
Written & directed by C.S. ROY  
Produced by STEPHANIE MORISSETTE & C.S. ROY

Featuring behind-the-camera talents of Cinematographer STEPHANIE WEBER BIRON (Xavier Dolan's *I Killer My Mother*, Guy Maddin's *The Forbidden Room*), Sound Designer OLIVIER CALVERT (Denis Villeneuve's *Arrival*) and editor ANOUK DESCHENES (Academy Award-nominated *Brotherhood*).

**Redefining the cinematic experience for the post-pandemic era**

Canada, 100', psychological horror, b&w/colour - **Release: 2022**
